

How to Measure Your Space

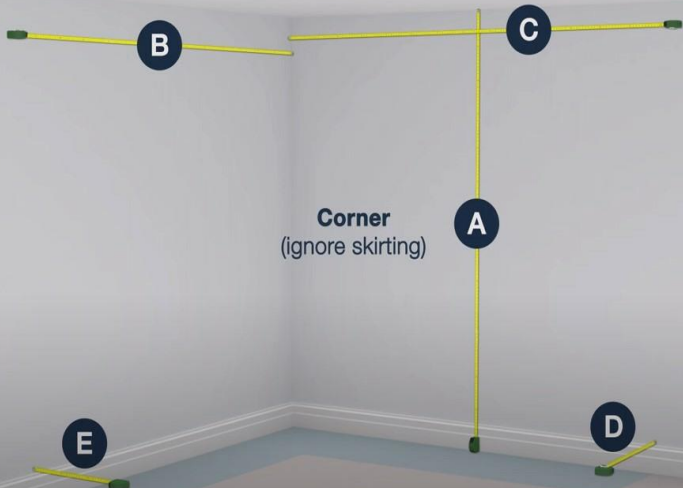

2993mm (width)
650mm (depth)
2397mm (height)

Back slope
(ignore skirting)

Corner
(ignore skirting)

Take a video tour of the room and numerous photos of any key elements that you feel are important. These include windows, doors, boilers, water tanks, water pipes, fuse boxes, staircases, boxed columns, ceiling beams, power sockets & BT or TV points etc.

We would also advise to note on the plan the sizes of any beds or fixed items you are looking to have in a bedroom and to keep for speed and file size We recommend sending videos or photos using WhatsApp (07775 858106)
